CITY OF WASECA

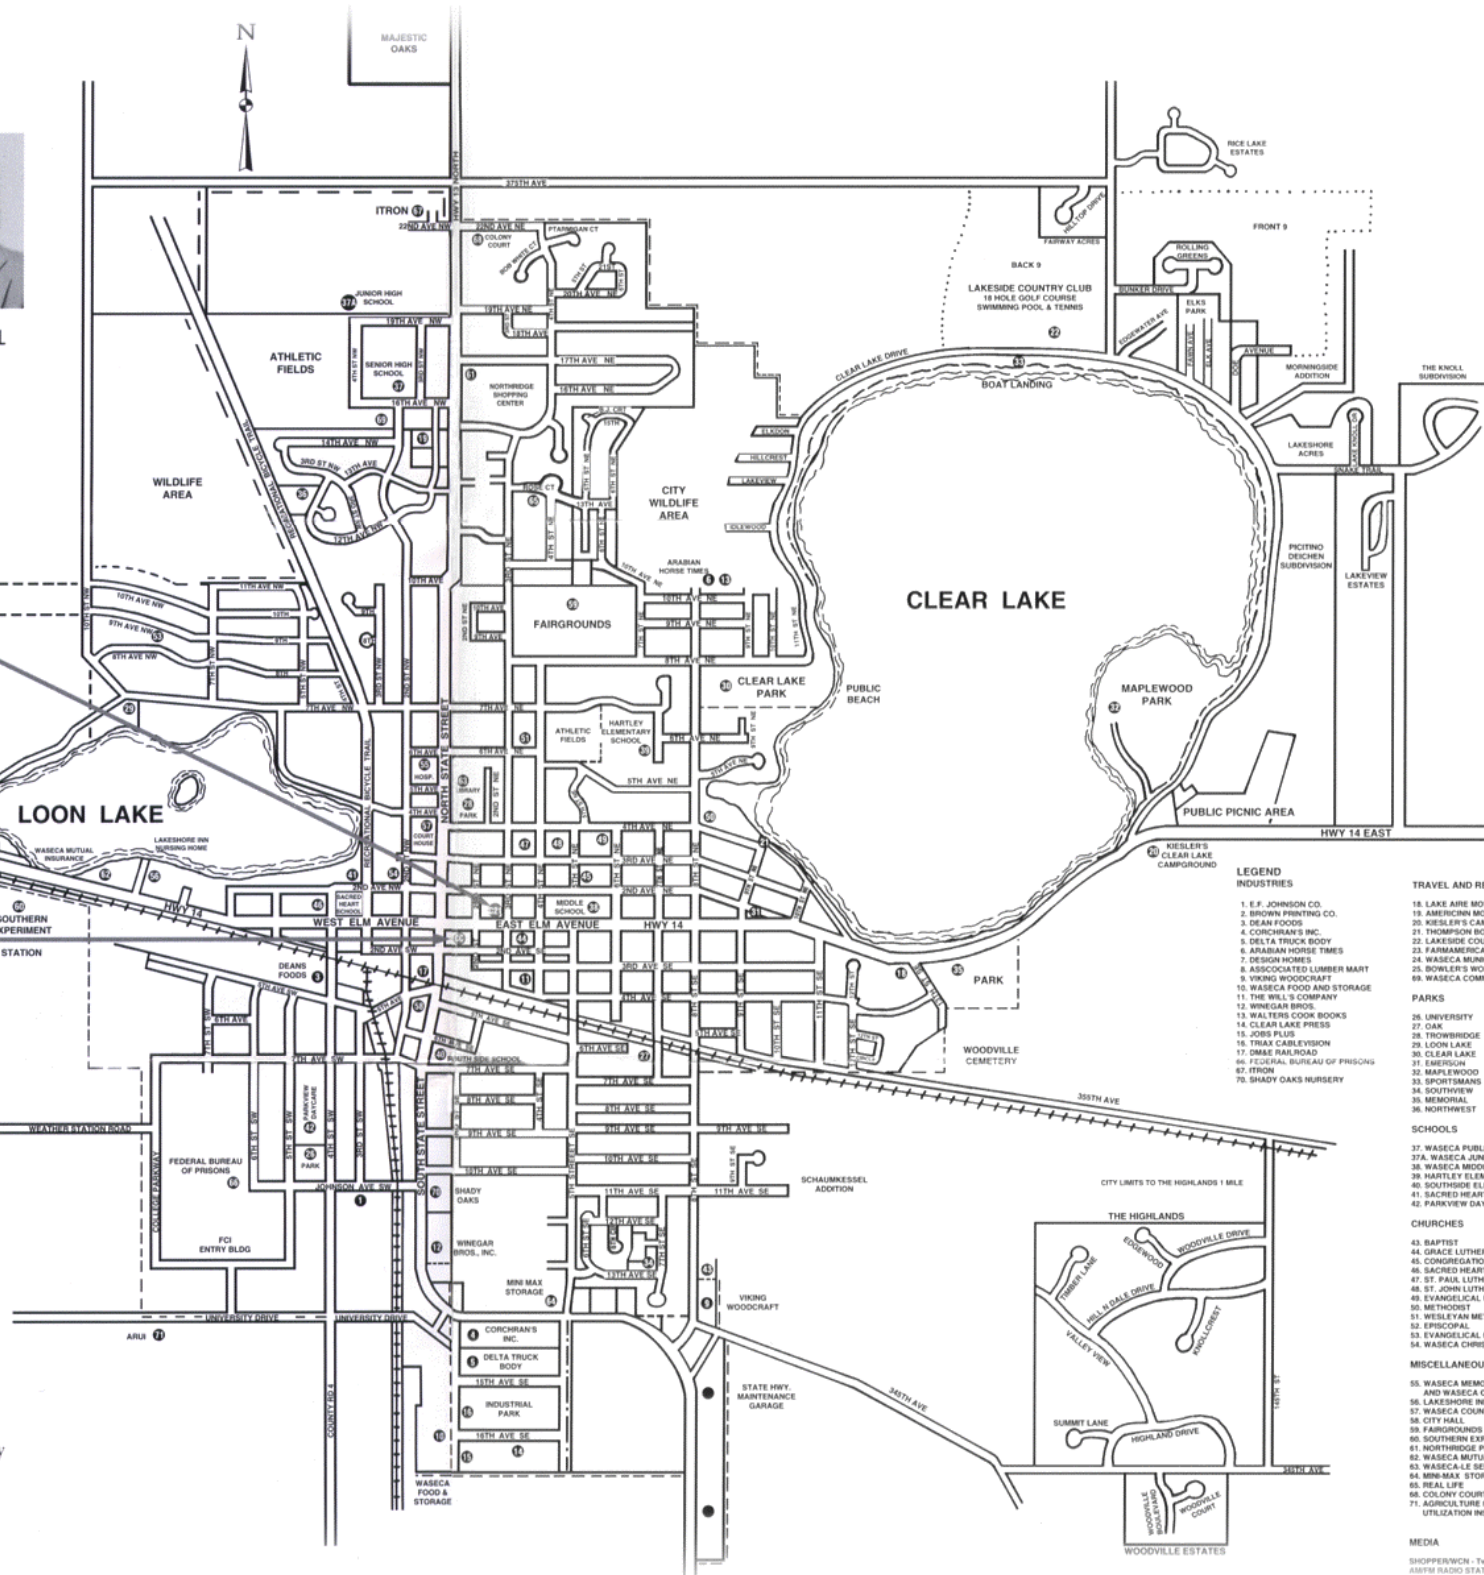

The city of Waseca, Minnesota is ideally located on two trunk highways. Hwy. 14 running east and west and Hwy. 13 running north and south, both bring many visitors to the community. A short 13 miles away lies Interstate 35 providing a link for Waseca's 8,500 residents to cultural, business, and sporting activities of the Twin City Metro Area only 1 1/2 hours away. Only 30 miles to the south lies Interstate 90 allowing for access to other areas in the midwest.

Waseca is the county seat of Waseca County which has a population of 18,100.

Waseca has a bond rating of "A", and insurance classification of seven. The City provides police and fire protection, street maintenance, and other necessary services.

Electricity and power are provided by the city's Water and Light Department or by Northern States Power Company and natural gas by Minnegasco.

The Waseca Post Office ranks third in the State of Minnesota with annual postal receipts over twenty million dollars.
